### Sector Allocations:

"Mutual Fund investments are subject to market risks, read all scheme related documents carefully"

**Statutory Details: Constitution:** IIFL Mutual Fund has been set up as a Trust under the Indian Trust Act, 1882. Trustee: India Infoline Trustee Company Ltd. **Investment Manager:** India Infoline Asset Management Company Ltd. **Sponsor:** India Infoline Ltd.

**Risk Factors:** All Mutual Funds and securities investments are subject to market risks and there can be no assurance that the Scheme's objectives will be achieved. As the price/value/interest rates of the securities in which the Scheme invests fluctuates, the Net Asset Value (NAV) of units issued under the Scheme may go up or down depending upon the factors and forces affecting the securities market. Past performance of the Sponsor/AMC/Mutual Fund and its affiliates does not indicate the future performance/results of the Scheme and may not provide a basis of comparison with other investments. India Infoline Asset Management Company Ltd. has no previous experience in managing a Mutual Fund. The present Scheme is not a guaranteed or assured return Scheme. **IIFL NIFTY ETF is only the name of the Scheme and does not in any manner indicate either the quality of the Scheme, its future prospects or returns. Investors are therefore urged to study the terms of offer carefully and consult their Investment Advisor before they invest in the Scheme.**

Investment in the units of the Scheme involves investment risks such as market risk, trading volumes, settlement risk, liquidity risk, interest rate risk, default risk including the possible loss of principal, fluctuations in NAVs, uncertainty of dividend distributions etc. For detailed risk factors please refer the SID. Tracking errors are inherent in the scheme and such errors may cause the schemes to generate returns which are not in line with the performance of its benchmark.
